

PRODUCT CHANGE NOTIFICATION

29 November 2017

Notification ID: CN-171102

Notification Type: MesaStrip Production Relocated to a New Facility

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the manufacturing location of Mesa Laboratories' **MesaStrip Spore Strips**. As detailed in previous notifications, Mesa Labs, Bozeman MT is relocating manufacturing operations from its current facility at 10 Evergreen Drive, Bozeman, MT 59715 to a newly constructed facility at 625 Zoot Way, Bozeman, MT 59718. **Manufacture of MesaStrip at the Evergreen Drive facility will cease on January 31, 2018 in order to complete validation of the product line at the Zoot Way facility.**

The reorder numbers impacted by this notification are:

SGMS/5 MesaStrip for Steam Sterilization log 5
SGMS/6 MesaStrip for Steam Sterilization log 6
SGMG/6 MesaStrip for Ethylene Oxide / Dry Heat Sterilization log 6
A2x10/6 MesaStrip for Ethylene Oxide Sterilization 2x10mm strips log 6
A2x10/6G MesaStrip for Ethylene Oxide Sterilization 2x10mm strips log 6 packaged in glassine
S2x10/6 MesaStrip for Steam Sterilization 2x10mm strips log 6
S2x10/6G MesaStrip for Steam Sterilization 2x10mm strips log 6 packaged in glassine
A1x25/6 MesaStrip for Ethylene Oxide Sterilization 1x25mm strips log 6
A1x25/6G MesaStrip for Ethylene Oxide Sterilization 1x25mm strips log 6 packaged in glassine
S1x25/6 MesaStrip for Steam Sterilization 1x25mm strips log 6
S1x25/6G MesaStrip for Steam Sterilization 1x25mm strips log 6 packaged in glassine
SGMR/6 MesaStrip for Radiation Sterilization log 6
SGMSU/6 MesaStrip for Low Temperature Steam Sterilization log 6

If you require any additional lots manufactured from the Evergreen Drive facility, we encourage you to place your order as soon as possible. **Last day to order these catalog items from the Evergreen Drive facility is January 19, 2018.** Quantities may still be available for purchase after that date but these catalog items will no longer be manufactured at the Evergreen Drive facility after **January 31, 2018.**

Validation activities for MesaStrip are currently underway at the Zoot Way facility and production will resume there immediately after validations are complete. Relocation activities have been planned to not interrupt supply.

PRODUCT CHANGE NOTIFICATION

As always, if you have any questions, please contact your Mesa Laboratories Representative.
