PRODUCT CHANGE NOTIFICATION

29 December 2017

Notification ID: CN-171204

Notification Type: DriAmp Production Relocated to a New Facility

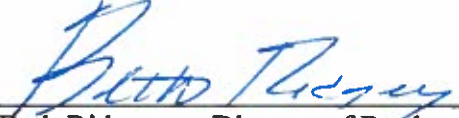

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the manufacturing location of Mesa Laboratories' **DriAmp reorder number DH/50**. As detailed in previous notifications, Mesa Labs, Bozeman MT is relocating manufacturing operations from its current facility at 10 Evergreen Drive, Bozeman, MT 59715 to a newly constructed facility at 625 Zoot Way, Bozeman, MT 59718. **Manufacture of DriAmp at the Evergreen Drive facility will cease on February 28, 2018 in order to complete validation of the product line at the Zoot Way facility.**

If you require any additional lots manufactured from the Evergreen Drive facility, we encourage you to place your order as soon as possible. **Last day to order this catalog item from the Evergreen Drive facility is February 16, 2018.** Quantities may still be available for purchase after that date but DriAmp will no longer be manufactured at the Evergreen Drive facility after **February 28, 2018.**

Validation activities for DriAmp are currently underway at the Zoot Way facility and production will resume there immediately after validations are complete. Relocation activities have been planned to not interrupt supply. If you are in need of validation lots from the new Zoot Way facility please contact our Customer Service Team at bicustomerservice@mesalabs.com to place your orders.

As always, if you have any questions, please contact your Mesa Laboratories Representative.
