

**PRODUCT CHANGE NOTIFICATION**

24 January 2018

**Notification ID:** CN-180110

**Notification Type:** EZTest and Smart-Read EZTest Production Relocated to a New Facility

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the manufacturing location of Mesa Laboratories' **EZTest and Smart-Read EZTest Biological Indicators**. As detailed in previous notifications, Mesa Labs, Bozeman MT is relocating manufacturing operations from its current facility at 10 Evergreen Drive, Bozeman, MT 59715 to a newly constructed facility at 625 Zoot Way, Bozeman, MT 59718. **Manufacture of EZTest and Smart-Read EZTest at the Evergreen Drive facility will cease on April 30, 2018 in order to complete validation of the product line at the Zoot Way facility.** The reorder numbers impacted by this notification are:

- EZG/6
- EZG/625
- EZS/5
- EZS/525
- SEZS/5
- SEZS/525
- SRSP/25
- STP/25
- EZS/6
- EZS/625
- SEZS/6
- SEZS/625
- SRSP6/25
- EZH/5
- EZH/5I
- EZH/6
- EZH/6I

If you require any additional lots manufactured from the Evergreen Drive facility, we encourage you to place your order as soon as possible. **Last day to order these catalog items from the Evergreen Drive facility is April 13, 2018.** Quantities may still be available for purchase after that date but these catalog items will no longer be manufactured at the Evergreen Drive facility after **April 30, 2018.**

Validation activities for EZTest and Smart-Read EZTest are currently underway at the Zoot Way facility and production will resume there immediately after validations are complete. Relocation activities have been planned to not interrupt supply. As always, if you have any questions, please contact your Mesa Laboratories Representative.
