

PRODUCT CHANGE NOTIFICATION

02 Feb 2018

Notification ID: CN-180201

Notification Type: Population Assay Kit Manufacture Relocated to a New Facility

Dear Customer,

We would like to take this opportunity to notify you of a change that will be made to the manufacturing location of Mesa Laboratories' **Population Assay Kit components reorder numbers PAK-G and PAK-M**. As detailed in previous notifications, Mesa Labs, Bozeman MT is relocating manufacturing operations from its current facility at 10 Evergreen Drive, Bozeman, MT 59715 to a newly constructed facility at 625 Zoot Way, Bozeman, MT 59718. **Manufacture of PAK-G and PAK-M at the Evergreen Drive facility will cease on May 15, 2018.**

If you require any additional lots manufactured from the Evergreen Drive facility, we encourage you to place your order as soon as possible. **Last day to order these catalog items from the Evergreen Drive facility is May 1, 2018.** Quantities may still be available for purchase after that date but PAK-G and PAK-M will no longer be manufactured at the Evergreen Drive facility after **May 15, 2018.**

As always, if you have any questions, please contact your Mesa Laboratories Representative.
